At 2 pm: **PLAYING WITH FIRE: Using Flame Effects in Your Show Without Burning Down the House.** Does your show call for a candle, a torch or a roaring campfire? **Mark Fine** of *AirMagic Special Effects* and **Janet Sellery** of *Sellery Health + Safety* will review safety guidelines, types of flame effects and site requirements. Join us to learn how to choose appropriate flame effects and how to protect your people and productions.

Following this, at 4pm, CITT Ontario will hold our AGM which will include announcing our 2016-17 events schedule. We hope to see you there!

At 5 PM please join in on a product demo from AirMagic Special Effects!
