3. **Interim Vice-President’s Report – John Raymond**
   
   Highlights: The board was less productive this year than it could have been largely due to the ongoing human resource issues between a staff member and a former board member. Now that this issue has reached resolution the board is looking forward to moving forward with action that will better support the members and the local sections. Due to our improving financial health, we are looking at ways to rejuvenate and grow the organization with the focus on the words CREATIVITY and TECHNOLOGY and that this will be an anchoring idea in the upcoming discussions. Our hope is to use this focus and a renewed Rendez-vous to promote creative, collaborative projects between members. This should also help us recruit more student members and support younger members just growing their careers.

4. **Interim Treasurer’s Report – Norberts Muncs**
   
   Financial statements for the year ending April 30, 2018 were distributed and are available online.

   Highlights: EXPO-SCENE’s continued financial success has helped ensure the organization’s financial stability. Although the funds in the bank at year end continue to grow, we still experience times of year where we face cash flow issues, most notably after paying expenses for EXPO-SCENE, but before revenue generated by the event is received.

   Opened the floor to questions. No questions from the membership

The auditor recommended by the Finance Committee is Roland Naccache et Associés. They are available to work in the CITT/ICTS office and present the financial reviews at our AGM's. Their quote was the lowest of the three at $5560 annually. Michael Kletz, our current auditor cannot do either of these and quoted $6500-$7500 per year. The third quote was from APSV and was $6000 annually.

Be it resolved to appoint Roland Naccache et Associés as the auditor for the fiscal years ending 2019, 2020 and 2021

Membership now stands at 443 members in good standing, including 83 new members this year. Whitehorse was announced as the host city for Rendez-vous 2019.
