Proud distributor of ADC Tracks and Accessories

Since 1919 the name "ADC" has been synonymous with quality products, smooth and dependable operation, and prompt, courteous service. Each product is fabricated in our factory by trained craftsmen and given individualized attention.

ADC offers a full line of stage curtain tracks, stage curtain machine operators, stage curtain lift systems, and controls. We are the original stage curtain track manufacturer, don't be fooled by imitators, we developed most of the technology currently used in the stage curtain industry and we continue to innovate, design and manufacture in Allentown, Pennsylvania.
