

IATSE Local 680 with the generous support of the Canada Performing Arts Workers Resilience Fund, is excited to offer ETC EOS Console Training

Date: February 27 & 28, 2023

Time 9:00 am-5:30 pm

Location: Imperial Theatre, Saint John NB, 12 King Sq South

This is a 2-day course with instructor Benn Hough focusing on the programming and operation of the ETC Eos Family of lighting consoles as they relate to conventional, LED and moving theatrical lighting fixtures.

Benn is a graduate of the Humber College technical theatre program and has worked in the industry since 2009, first as a house technician at The Young Centre for the Performing Arts and as the crew chief at the St Lawrence Centre for the Arts in the Jane Mallet Theatre. He is currently the Head Electrician at the Bluma Appel Theatre

This course is open to all performing arts workers and is *being offered at no cost* as part of the trainings the IATSE is providing through the Canada Performing Arts Workers Resilience Fund. **To access this training free of charge, you must register through this link:**
